

Shizuoka Prefecture's ICOI Project × Vitalgain Collaboration: Online Blood Sugar Improvement Program Recruiting Monitor Participants Starting October 1st!

Y4.com Co.,LTD (Tokyo, Chiyoda Ward, CEO: Yukinori Ajima, hereinafter referred to as Y4.com) is pleased to announce the commencement of recruitment for monitor participants for the Online Blood Sugar Improvement Program from October 1st, as a part of the Shizuoka Prefecture ICOI Project demonstration initiative for the fiscal year 2023.

Background:

Planning is underway for a demonstration of "Diabetes Severity Prevention Wellness Tourism," leveraging hot spring accommodation facilities and ICT equipment. As a part of this project, we are recruiting monitor participants for an Online Blood Sugar Improvement Program, targeting individuals who are slightly metabolic or those at risk of diabetes and related diseases.

Reservation Site for this Program: https://shizuokaicoi.genkimiru.jp/

Moving forward, we will continue to collaborate with various local governments and strive to address social issues through the utilization of ICT (Information and Communication Technology).
